Rail Underpasses On Euclid Urged

A two-lane underpass on Euclid avenue beneath the railroad tracks south of A street, is urged on the state highway department by the Ontario city council.

Councilmen last night passed a resolution requesting the state highway department to prepare plans and estimates for grade separations there. The underpass would begin at A street, and would tunnel below the surface to give a maximum clearance of 14 feet under both the Southern Pacific and Union Pacific railways.

D. J. Davidson appeared before the council as a representative of the cigarette vending interests to ask the reconsideration of its ordinance which imposes a tax of $25 per machine in the city of Ontario.

At the present tax rate the vending interests, explained Davidson, would be driven out of business. He labelled the tax as discriminatory.

In addition, Mr. Davidson felt that the cigarette vending interests should be considered as a legitimate business and not in the light of pinball machines and other similar devices.

The council agreed one of the main reasons for the ordinance was to prevent minors from obtaining cigarettes. Thus the object of the present ordinance is to exercise some control over the availability of machines to teenagers.

In response to the council's objection to the availability of the machines to minors, Mr. Davidson stated that it was an established fact that "most youngsters ob-

Tales OF TWO CITIES

By BOB HOLT

Remember little Larry Cross, the 3½-year-old child who was so seriously injured last August 11 when hit by a truck on Seventh street?

We talked to Larry's father, Irwin Cross, 338 South Third avenue, the other day and he told us that the little fellow is making slow, but steady progress.

Larry was in a Los Angeles hospital for awhile, but was returned to his home here several weeks ago. His speech is now virtually normal, his father said.

We're sure everyone is glad to see that llittle Larry is making so excellent a recovery.

AUTO

We rather like the story about the Anaheim physician who found his car draggy, listless and apparently all tuckered out when pulling away from an Ontario restaurant the other day.

The diagnosis was not difficult after the good doctor discovered he was dragging another auto hooked to his rear bumper. Wish we could cure the faulty pickup of our old boat as easily.

AWNING

Guess Bryant and Dunlap Jewelers won't have to worry about Upland's awning firebug, even if that shadowy individual were to return to the scene of his former depredations. Their new aluminum awning is supposedly guaranteed fireproof.

CUB SCOUTS

With football season here, probably few of us realize that Upland now harbors a championship softball aggregation.

Capping a season of successful play, the Upland Cub Scouts journeyed over to Pomona last night and won a tense, extra inning struggle from the Pomona team of the softball championship of the Mt. Baldy area.

VOLUNTEERS

In connection with Fire Chief Howard Paulin's annual report issued recently, it's proper to give a pat on the back to the outstanding service of the local fire volunteers.

Once again this group has set something of a record for attendance at fires.

So good a one, in fact, Chief Paulin said, that representatives of the board of underwriters will hardly believe it when they read the report.

This fact, plus the new truck the department is shortly to receive, is expected to reduce fire insurance rates locally.

Upland Chest Donations on First Day $600

Subscribers have responded immediately to the Upland Community chest appeal with $600 being received by mail on the first day, chest officials announced.

While this is not a large sum compared with the budget of $8,000, leaders today expressed encouragement over the response. Today's returns are expected to be more.

"At least," said Norman S. Lawson, chairman of the chest drive, "if people respond generously the quota will be reached and the work of the house-to-house solicitors will be minimized."

All persons interested in the welfare of the organizations represented in the campaign are being urged to respond immediately, sending their remittance by mail.

In a well-organized campaign every family in the community will be asked to contribute. If people respond now it will save time and effort on the part of volunteers to make personal solicitations.

Just in case personal solicitation is necessary, a luncheon meeting of about 50 workers is planned for Oct. 11. John Baumgartner, head of the volunteers' group, is preparing a "kick-off" meeting a week from today. At that time final arrangements will be made for an intensive solicitation.

"I hope people realize that if they give now by mail it will save much time in the 'follow up' campaign," Mr. Lawson appealed. "Pledge cards and printed reply envelopes have been mailed to every family so the solicitation can be handled in a routine matter, if possible. If donors use the cards and the mail the end can be accomplished with the least effort on the part of the volunteer workers."

Tennis Body Elects Thompson

Upland's newly formed municipal tennis association is headed by Clint Thompson as president.

His election took place last night at a second organization meeting of the group held in city hall. Joe Kellett was named vice president and Bill Villocino secretary-treasurer.

The group has decided to hold its business meetings on the first Monday of every month. Matches will be played on the Junior High school courts Monday and Wednesday evenings of each week or at any other time agreed upon by contestants.

A perpetual, ladder type tournament, is to be in operation.

TIME TO JOIN

Upland P.-T. A. membership drive now on, Oct. 4-8.

NOT SO SLOW

★ ★ ★ ★ ★ ★

DID HE EAT IT? SNAIL WON'T TALK

Can snails eat paper?

The science textbooks say they can't. But you can list one Upland Junior high school faculty member—himself a science teacher—among the doubters.

This little tale started when the teacher, resident of a local housing project, wrote out his rent check and put same atop a vase on the refrigerator at his home.

Said vase also contained a snail, a sort of family pet. Some time days later, when the teacher picked up the check, he found it half consumed. And the snail definitely had that well-fed look.

P. S.—Housing project authorities readily accepted the check.

CAMERA SPOTS FIRE

This farm house, near Waco, Texas, which would have been in the flood storage area after the Whitney dam is completed, is shown completely engulfed by flames in this unusual air view by commercial photographer Jimmie Willis who spotted the fire while taking air views of Central Texas towns. The farm house was completely destroyed, but no one was injured.—AP Wirephoto.

Postal Receipts In 25 Per Cent Gain in Month

Postal receipts are continuing to show a steady gain over 1947, Postmaster Orton P. Brady reported today, with September's income 25 per cent ahead of the ninth month last year.

Roy A. Ray, assistant postmaster, compiled the detailed figures, revealing a total postal sales in September of $5,136.36. For September a year ago, the total was $3,922.15.

Total income during the first nine months of the year was $43,961.41, as compared with the 1947 total of $40,039.74. For the year, this is an increase of $3,921.67.

Observers accept the postal receipts as one indication of the general business trend in the community.

ART EXHIBIT OCTOBER 16

A large group of Chaffey Community Art association members and guests turned out last evening to hear Mrs. Laurence M. Clark speak on "Sincerity In Art", at the fall meeting held in Chaffey Memorial library.

Miss Hettie Withey, president, presided over the meeting and revealed the now nearly completed arrangements for the Eighth Annual Purchase Prize exhibit opening October 16. Careful selection of 50 contemporary paintings to be displayed has been made by a committee headed by Mrs. Sanford Ballou and comprising Charles Lawler, Mrs. Robert Graber and Mrs. William Amberson.

A large exhibit of paintings loaned by members of the art association were on display last evening. These pictures had been purchased from many of the artists who have entered the annual exhibit in the past.

A large number of artists will attend the annual dinner and preview October 16, which is a member's privilege. Miss Withey urged those persons interested in joining this civic enterprise do so in the near future.

The evening closed with an informal social time and refreshments were served by the Mesdames James Finley, Forrest Doucette, Robert Cummer, Norman Lawson and D. Cason Mast. Mrs. Stephen Craig heads the hostess committee for the year.

Quarterly License Payments Are Due

All Upland business firms which pay city licenses on a quarterly basis were reminded today by Police Chief Eugene L. Mueller that the licenses are now due and payable.

They've been due Since Oct. 1. Deadline for payment without penalty is Oct. 15. After that, it'll cost you an additional 10 per cent.

Cucamonga Chest Budget Given

The completion of President Harry S. Truman's 1948 solicitation address last Thursday was the signal for an extensive community drive in Cucamonga to meet its Community Chest budget of $2,800, announced Robert Hutton, vice-chairman of the campaign. Chairman George Mahan is on vacation in the Middle West.

The budget for the district community drive is broken down as follows: Boy Scouts, $600; Girl Scouts, $600; Salvation Army, $400; Junior Welfare League, $400; Local Communities Emergency Welfare Fund, $500; and local Scouts, $300.

Rail Repair Starts Here

Starting in Upland and extending to Los Angeles, a major repair job is under way today on the Santa Fe railway line. Two hundred and fifty men are employed here on placing new ties, rock ballast and improved equipment.

The workmen will proceed west after having started at Campus avenue, according to L. A. Fox, local Santa Fe agent. The workmen are housed in 190 railroad cars on the Santa Fe siding.

Previously workmen had made new installations and improvements on the rail line from San Bernardino to Campus avenue. The work is now on the second lap of the repair job and will be continued until the crew reaches Los Angeles.

Mrs. Danner Is Summoned

Mrs. C. C. Danner, wife of the community's pioneer baker, died early this afternoon at the San Antonio Community hospital. She entered the hospital only yesterday suffering with a severe cold and complications.

Known to many local people through her work with her husband in the bakery, Mrs. Danner was busy in the local store up until a few days ago. Besides her husband she is survived by a son, Clyde Danner, also of Upland.

The family resided at 150 North First avenue.

Stone funeral home is in charge of arrangements.

Fewer Autos on State Highways

SACRAMENTO Æ—State highway traffic counts for September showed a decrease of 5 per cent under September of 1947, State Highway Engineer George T. McCoy reported today.

It was a drop of 14.6 per cent under August of this year, and McCoy reported the five-year average normally shows a decrease of 13.2 per cent of September under August.

U.N. Security Council Accepts Berlin Case; Russ Threaten

Blockade Issue Put on Agenda By 9-2 Vote

PARIS (Æ)—The United Nations security council voted 9 to 2 today to admit the western powers case against the Soviet blockade of Berlin and Russia immediately announced she would not take part in the debate.

Deputy Foreign Minister Andrei Y. Vishinsky demanded the floor and declared:

"The Soviet Union considers that the security council, by agreeing to put the Berlin question on its agenda, has violated the charter of the United Nations."

Only Russia and the Soviet Ukraine voted against discussing the Berlin crisis. . A majority of seven affirmative votes was required.

Vishinsky declared that the adoption of the agenda was a violation of the United Nations charter.

Dmitri Manuilsky of the Ukraine then announced that he also would refuse to participate in the debate on Berlin, "for the reasons outlined by the Soviet delegate".

Council President Juan Atilio Bramuglia of Argentina then adjourned the council with the announcement there would be two meetings tomorrow.

Dr. Philip C. Jessup of the United States announced he would speak at the morning session.

Vishinsky, followed by his aides and a crowd of newsmen, stalked out immediately after the adjournment.

"We shall see," he said, when asked whether he would attend tomorrow's sessions.

He gave the same answer when asked if Russia would consider herself bound by any Security Council decision on the western charges that the Soviet Union was menacing world peace with her blockade of Berlin.

The red-faced, white-haired Russian leader appeared in good spirits. He smiled and laughed as he chatted with his assistants.

Before the vote, Vishinsky pleaded with the council to ignore the Berlin blockade, which western powers charge endangers world peace and security.

Vishinsky, a purge trial prosecutor who became Deputy Foreign Minister of Russia, contended again "there is no blockade of Berlin", although the Russians closed land access to the four-power city in June. He argued that the council of foreign ministers was created to solve German problems and that this, rather than the security council, is the correct forum for the issue.

"Gentlemen of the security council, you have a lot of worries before you already," he said. "It is hardly worthy of you to ignore these direct responsibilities in favor of one that does not concern you."

In his opening yesterday, he implied a Russian walkout by asserting Russia could not be a party to what he called an "illegal" move.

Says Uncle Joe Should Take Trip

LOS ANGELES Æ — A train trip through our southwest, "would do Uncle Joe Stalin a lot of good," says Richard Lloyd George, son of England's World War I prime minister.

A member of the British House of Lords and a civil engineer, he praised American air depots and railroads with some authority.

"Even if the United Nations is scuttled," he said, "I think world peace can be maintained if America and the British Commonwealth of Nations remain hand in hand."

School Entered

The Upland Elementary school was entered over the week-end, presumably by juveniles, desks and paper put in disarray and a ball point pen and 40 cents in change taken.

That was reported today by Upland police. Entry to the building was made through an unlocked window. Investigation is in charge of Det. Capt. Henry A. Younge.

Hurricane Roars On Miami

TODAY'S BRIEF HEADLINES

FILMS

BELGRADE, Yugoslavia Æ—The Yugoslavs have agreed to buy 20 to 25 American motion picture films during the next year for dollars to be paid in a New York bank, Eric Johnston announced yesterday.

VESSEL

SAN FRANCISCO Æ — The largest number of passengers ever to arrive at a West Coast port on a commercial vessel disembark here today — 1,810 on the American President Lines' SS General W. H. Gordon.

PROBE

SAN FRANCISCO Æ—The California public utilities commission today called upon the federal communications commission to make a nation-wide investigation of the use of communication wires for gambling.

FIRE

SAN GABRIEL Æ—A $175,000 fire of undetermined origin today destroyed the Forrest Manufacturing Co. plant, a plumbing equipment concern.

BUTTER

LOS ANGELES Æ—Butter has melted off another ten cents in price during the past week.

DIES

LOS ANGELES Æ—F. Darwin Smith, 88, an educator for 66 years, although he attended neither high school nor college, died in a hospital here today after a long illness. His home was in Long Beach.

SEARCH

SAN DIEGO Æ — Two coast guard planes today searched offshore for the fishing boat Gary, reported missing for three days with one man aboard.

FLIGHT

BURBANK Æ — Tiny Dianna Cyrus Bixby says here solo round-the-world flight may start Saturday or Sunday from San Francisco.

BETTER

HOLLYWOOD Æ—Rita Johnson, after being near death for weeks, is able to get around her hospital room a bit.

Report 3 Dead, Many Hurt in Battered Havana

MIAMI, Fla., (Æ)—A vicious hurricane that killed at least three persons and injured many others in Havana, Cuba, blasted Key West today with winds reported to have reached a peak velocity of 132 miles an hour.

Communications southward over the Florida keys were failing, but David Newton, Miami Daily News correspondent, messaged at noon:

"Indications are that eye of storm will pass just east of Key West. Highest wind reported so far is 132 miles per hour."

Circuits to hard-hit Havana went out at noon.

Storm forecasters described the storm as "small, but plenty tough." It is moving along fairly fast, causing winds to increase swiftly to destructive force as the center approaches.

The weather bureau said the center was "very, very near" Key West at noon.

Winds were increasing all along the southern part of the peninsula and will continue to rise as the hurricane moves up the keys toward Miami.

The weather bureau said the storm is traveling about 15 miles an hour in a northeasterly direction. It will bring hurricane winds over most of the everglades — Lake Okeechobee area southeastward to the coast and at least as far north as Jupiter tonight, an advisory stated.

The hurricane followed almost

(Continued on Page 3)

TIT FOR TAT

U. S. May Retaliate, Curb Soviet Travel

WASHINGTON (Æ) — The United States is studying the idea of giving Soviet officials in this country a taste of the same treatment Americans get from Moscow.

Diplomatic authorities disclosed today that retaliatory measures are under consideration as a result of the new Soviet order sharply limiting the movements of American and other foreign diplomats in Russia.

The net effect of that order, the state department says, is to bar travel outside the Moscow city limits. Russians in the United States, meanwhile, are free to travel anywhere, with no questions asked.

A strict tit-for-tat policy would require Ambassador Alexander S. Panyushkin and other Soviet embassy officials to get state department permission before leaving Washington.

The state department has shied away from any idea of retaliation.

When Russia refused to permit Assistant Secretary of State John F. Peurifoy and a group of Senators to visit Moscow last spring, there were many demands on Capitol Hill for retaliation.

Nothing came of this, although the army did not invite Soviet military attaches to this year's demonstration of weapons at the Aberdeen (Md.) proving grounds because American military men were not invited to Soviet maneuvers.

VIOLENCE AT OIL PLANTS

RICHMOND (Æ) — Sporadic violence kept police on extra duty at the strikebound Standard Oil refinery here today.

There were several outbreaks. Four men were arrested, three were booked for inciting to riot, and the other for malicious mischief.

All off-duty police were called in to augment the regular force and sheriff's deputies at the main gate to the refinery. They were there, they said, because of threats that a big riot might be generated.

Federal and state conciliators had arranged a negotiation meeting at San Francisco today between Standard Oil and the striking CIO oil workers. The California refinery strike was in its 32nd day.

School Bond Meeting Set

The Cucamonga Central School Parent-Teachers association will hold a school bond mass meeting on the high school tennis court, October 13 at 7:30 p.m.

Wallace Stoebe, principal of the school, reported that old records showed that a similar meeting was held in March of 1915 to raise bonds for the present Central school building. At that time John Kfusman directed the meeting, in which 35 were in attendance.

Alter Business Building Here

Alterations were started today to make one of the city's oldest business buildings into one of the most attractive.

The historic structure immediately south of the Bank of America will be given a modern, streamlined appearance in accordance with plans approved by the owner, A. E. French. Earle Casler, Upland, has the contract for the alterations.

Top of the building will be lowered to the present height of the Bank of America structure to make the long business frontage uniform. Specially designed glass fronts are planned for each of the three business firms, with colored flagstone used in the lower portion. Artistic flower boxes are also planned to give a touch of greenery to the front.

Stores occupying the building undergoing the renovation are Long Bros., College Cleaners and the Upland Liquor Store. Mr. French, proprietor of the liquor store, is owner of the building and he expressed the assurance this afternoon the remodeled structure would be among the most attractive in the community.

Mr. and Mrs. French recently moved to Upland from Newport Beach, and reside at 557 North Campus avenue.

Mine Chief Rails at Truman

CINCINNATI (Æ) — John L. Lewis today assailed President Truman for prosecuting the United Mine Workers in recent coal strikes and advised the miners to "do something about it" in the Nov. 2 election.

"He is a man totally unfitted for the position," Lewis said to a wildly cheering, horn-blowing open session of the UMWA convention.

"His principles are elastic. He is careless with the truth. He is a malignant, scheming sort of an individual who is dangerous not only to the United Mine Workers but dangerous to the United States of America," Lewis shouted.

The UMW leader said that Mr. Truman was "too cowardly" to put him in jail in 1946 and last spring when the President invoked injunctions to halt crippling mine strikes.

Fines totaling $2,130,000 were imposed on Lewis and the union for contempt of court orders arising from the action.

"Men have to dig coal to pay that fine," Lewis said. "How many men are going to die to pay it? How many men will break their backs to pay that fine? Harry don't care.

"It evolves on you to do something about it when you have a chance to say who shall be the next president of the United States."

AWNING IS NEWEST THING

The new pastel green aluminum awning on the front of the Bryant and Dunlap Jewelers, 220 North Second avenue, is a new "first" in Upland.

Weighing approximately 125 pounds, the new awning is much lighter than those of canvas construction, stated C. J. Dunlap today. He further emphasized the qualities of its fireproofness and the life-time use provided by this new awning.

The aluminum awning was installed Sunday by the D & F Manufacturing company of Ontario.

Formal March Field Ceremony Unites Lt. Jeannette Folmar, Major Wilson

The first formal military wedding to be held in the chapel at March Field, Riverside, since 1941, united Lt. Jeannette L. Folmar and Major Henry Stanley Wilson last Friday evening.

Lt. Col. Siwinsky, chaplain at the field, officiated at the double ring ceremony in the presence of 100 guests.

The chapel was beautifully decorated with mixed bouquets of white gladioli and blue delphinium for the 5 p.m. exchange of vows.

The bride chose a simply styled ivory slipper satin gown with a square neckline and caped sleeves, softened in line by dainty scallops and featuring matching long satin gloves. Her fitted bodice terminated in a short peplum with a circular skirt and a full sweeping train.

She wore a crown of seed pearls which secured her fingertip length veil and complemented the three-strand pearl necklace which belonged to her mother, and carried a shower bouquet of white carnations with satin streamers centered by an orchid. She was given in marriage by her uncle, George Anderson, of San Francisco.

Miss Mildred Folmar, principal of Vina Danks junior high school, served her sister as maid of honor. She chose an autumn fuchsia lace over satin gown, styled in unbroken princess lines with a round scalloped neckline and short sleeves. She wore a tiny gold crown and carried a bouquet of blue delphinium, tied with blue taffeta ribbon.

Six of the bride's friends, in dress uniforms of the Army Nurse Corps, with maroon ties and braid, served as bridesmaids. They were Capt. Winifred Madden, Capt. Edith Brown, Lt. Helen Parrish, Lt. Bernadine Armstrong, Lt. Rusty Brandes and Lt. Adeline Fanton, all of the First Station Hospital March Air Force base.

"Sissy" Saxer served as flower girl in a miniature gown of white dotted Swiss with a baby orchid corsage. She showered rose petals from a tiny basket. Her twin brother "Lubby" Saxer, wearing a white suit, carried the rings on a white taffeta pillow.

Leonard C. Wilson served the bridegroom as best man, while Capt. Charles Tappan, Capt. Bob Geggie, Capt. John Evans, Lieut. Rudolph Duncan, Lt. Alfred Bedford and Lt. Ed Campbell ushered the guests.

As the new Major and Mrs. Stanley Wilson left the chapel they marched beneath the traditional crossed sabers of the bridegroom's attendants.

The bride's mother chose a royal blue crepe gown with matching satin trim, black accessories and a gardenia corsage, while the bridegroom's mother chose a black lace dress with a circular skirt, with which she wore black complements, a gardenia corsage and an heirloom necklace, in which to greet the guests at the reception which followed in the Nurses' reception room.

Lt. Stella Cunningham served the guests and Lt. Vera Brown circulated the guest book.

The bride is the daughter of Mrs. Joseph E. Brown, 303 El Morado court, Ontario, and the bridegroom is the son of Mrs. Rose M. Wilson of San Francisco.

The bride chose a charcoal tweed suit with charcoal grey suede accessories and an orchid corsage for going away. Upon their return from a wedding trip at Hollywood Roosevelt hotel, Hermosa hotel, Catalina Island and the Casa del Mar, Santa Barbara, they will be at home at First and Fairmount streets, Riverside.

The bride, a graduate of Long Beach Polytechnic high school and Long Beach junior college, received her graduate nurses' training at the San Bernardino county hospital. Prior to the war she served as a navy nurse and during the war trained as flight nurse at Bowman field, after which she was one of the first flight nurses in 1944 to evacuate wounded from the European theater to the United States for treatment.

Major Wilson, commanding officer, 101st Airways and Air Communications deatchment, attended schools in Maryland and Washington, D.C. During the war he was a prisoner of the Japanese for 44 months, sending the last message to reach the outside world from Wake Island.

Sleevelines and Glovelines Make Important Team

By DOROTHY ROE
(AP Fashion Editor)

Gloves and sleeves are an important team in the fall fashion lineup.

New sleeve treatments and varied sleeve lengths call for new glove styles this season, with the trend toward more feminine, smoothly fitted kid and doeskin models.

There are many three-quarter and elbow-length sleeves in fall dresses and even coats for fall and winter, which call for gloves long enough to meet the sleeveline.

The barrel sleeve with the tight cuff demands the dainty, Victorian inspired glove, usually wrist-length, often of smooth kidskin.

Soft feminine shorties with delicate wrist detail are important for cocktail and semi-formal wear. Eight-button lengths in French kid gloves, tightly fitted, are new for wear with evening capes and short-sleeved evening wraps.

The "bracelet" sleeve, ending a few inches above the wrist, demands a classic slip-on glove, to cover the wrist.

And for the country tweeds there are sturdier gloves, still sleek and fitted.

Mrs. R. C. Norton, 581 North Euclid avenue, returned home Sunday night from North Hollywood, where she spent a week at the home of her son-in-law and daughter, Mr. and Mrs. Ellis J. Zander (Louise Norton). She also welcomed her new granddaughter, Tarie Anne Zander, who was born September 28 at the Queen of the Angels hospital in Los Angeles.

BIRTHS

At San Antonio Community Hospital—

ALLEN—Mr. and Mrs. Harold Allen, Chino, are the parents of a baby boy, born October 1, at 8:16 a.m.

RUSSELL—Mr. and Mrs. Kenneth Russell, 877 West Foothill boulevard, Fontana, are the parents of a baby girl, born October 1, at 2:57 p.m.

SALANO—Mr. and Mrs. Joe Salano, 840 Humbolt street, Cucamonga, are the parents of a baby boy, born October 2, at 4:15 p.m.

SHIRLEY—Mr. and Mrs. Thomas Shirley, 247 North Vineyard, Cucamonga, are the parents of a baby girl, born October 2, at 1:48 p.m.

BECKLEY—Mr. and Mrs. Richard Beckley, 595 East Nineteenth street, Cucamonga, are the parents of a baby boy, born October 4, at 4:03 a.m.

JEFFRYES—Mr. and Mrs. James Jeffryes, 1209 North San Antonio avenue, Ontario, are the parents of a baby girl, born October 4, at 2:32 a.m.

At Memorial Community Hospital

SIMONSEN—Mr. and Mrs. William R. Simonsen, 108 Parkside, Upland, are the parents of a baby boy, born September 30 at 8:52 p.m.

KATT—Mr. and Mrs. Niles Katt, 542 East F street, Ontario, are the parents of a baby girl, born October 1 at 11:55 a.m.

STEINBRUGGER—Mr. and Mrs. John Steinbrugger, 649 West Eleventh street, Pomona, are the parents of a baby girl, born October 1 at 1:42 a.m.

ELMS—Mr. and Mrs. Chester Elms, 119 Elm street, Ontario, are the parents of a baby girl, born October 1, at 12:10 p.m.

CLUBS... SOCIETY

Upland Woman's Club Announces Plans And Program for the Coming Year

Executive board members of the Upland Woman's club met yesterday to make final plans for the new year and to vote in new members.

The first meeting of the year will be held October 12 at 12:30, with the program beginning at 2 p.m. The program is entitled "Spinners of Song", and features Leila Webster and James Stewart, duo singers, and Dorothea Stewart, accompanist.

The program for the rest of the year is as follows:

October 26—Business meeting at 2 p.m. Program at 2:20, "How Wide Is the Middle of the Road?" by Robert Sterling Hicks, educator and administrator.

November 9—Luncheon at 12:30. Program at 2 p.m., "The Charm of Good Grooming," by Mrs. Emery Sherman Beardsley, a former stylist for Marshall-Field, Chicago, and recently fashion coordinator for Bullock's Wilshire.

November 23—Business meeting at 2 p.m. Program at 2:20. Mrs. Donald E. Vowles of San Bernardino will present reviews of current books.

December 14—Luncheon at 12:30. Program at 2:20. Guest Day and Christmas program. "Christmas Carols of All Lands", presented by Dorothy Woolsey, contralto, and Dorothy Wheeler, accompanist.

January 11—Luncheon at 12:30. Program at 2 p.m. Lela O'Melveny, artist, lecturer and creator of Historical Headgear in Miniature, will bring "Headgear Through the Centuries".

January 25—Business meeting at 2 p.m. Program at 2:20, presented by Eugene Dorian, baritone.

February 8—Luncheon at 12:30. Program at 2 p.m., presented by James Arthur Blodgett, pianist and composer.

February 22—Business meeting at 2 p.m. Program at 2:20 presented by Mrs. George J. Wheat, who will speak on "The Women of South America".

March 8—Men's Night. Dinner at 7 p.m., "Behind the Iron Curtain", by Colonel Roswell P. Rosengren, distinguished lawyer and Former President of the United States Junior Chamber of Commerce.

March 22—Reciprocity Day. Business meeting at 2 p.m. Program at 2:20. Mrs. Edward C. Lowell, State Federation Motion Picture chairman, will speak.

April 12—Luncheon at 12:30. Program at 2 p.m. Rima Rudina, violinist, with her master's degree from the Eastman School of Music and many other accomplishments will provide the entertainment.

April 26—Business meeting at 2 p.m. Program at 2:20. Music department of Upland Junior High School will present a varied program.

May 10—Luncheon at 12:30. Program at 2 p.m. Beatrice Crall, musical narrator and interpreter, will bring the program.

May 24—Business meeting at 2 p.m. Program at 2:20., presented by Gloria Green, young mature pianist.

New members voted into the club include the Mesdames M. M. Temple, Edward J. Pollock, V. K. I. Patterson, Harry S. Fliesbach, Walter Holts, Frank J. Rader, T. L. Locke, Andrew R. Morrison, Earle Baughman, Sarah Chadwick, Leo Martin, Kathryn Kanya, and Ralph E. Almquist.

Alta Loma P.T.A. Meets Thursday

The first regular meeting of the Alta Loma P.T.A. will be held Thursday at 2:30 p.m. in the Alta Loma school basement.

Mrs. Wilma Koeker, from the domestic science department of Chaffey will be the speaker. She will speak on new cake making methods.

Mrs. Koeker will also act as judge for the seventh and eighth grades cake baking contest. There will be first and second prizes for both boys and girls. These children will also present a skit.

Seventh and eighth grade room mothers will serve refreshments. Care will be provided for small children.

St. Mark's Auxiliary Hears Rev. Jones

Mrs. Earl Hill, Fifteenth and Euclid, was hostess to members of St. Mark's Auxiliary for their first meeting of the fall year held yesterday afternoon.

Rev. T. Raymond Jones, rector of St. James' church in South Pasadena, was the speaker for the day. He spoke on the Lambeth conference in London which he attended. He told of many of his interesting experiences while in London.

Mrs. Hill's home was beautifully decorated with asters. Refreshments were served during the afternoon by the committee including the Mesdames P. B. White, Forrest Doucette, William Mason, Herbert Gray and A. L. Webb.

Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try **Romind.** Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get **Romind** at druggist today. Quick, complete satisfaction or money back guaranteed.

PATIENTS

At San Antonio Community Hospital—

Mrs. Tony Fierro and baby boy, 523 East Grove, Ontario, have returned to their home.

Mrs. Malvin Edwards, 304 South First avenue, has returned home after tonsil surgery.

Joe Adams, 604 West California boulevard, Ontario, has returned home after medical treatment.

John Neal, 4200 South Grove, Ontario, is a major surgery patient.

Keith Orval, 271 Parkside, is a major surgery patient.

Mrs. A. B. Harris, 803 North First avenue, is a surgery patient.

Miss Robin Ross, year-old daughter of Mr. and Mrs. M. C. Ross, 2288 West A street, Ontario, is a medical patient.

Mrs. William Meyers, 918 East A street, Ontario, is a medical patient.

Mrs. James Lazzari and baby boy, 432 East J street, Ontario, have returned to their home.

Mrs. William E. Slagle and baby boy, 609 South Cucamonga, Ontario, have returned home.

Mrs. Harry F. Lawrence and baby boy, 535 Brooks, Claremont, have returned to their home.

Mrs. Alva Payne and baby boy, 2929 West State, Ontario, have returned to their home.

Mrs. Ralph Price and baby boy, 1024 South Plum, Ontario, have returned to their home.

Mrs. Carol Ynostroza and baby boy, 1397 Chaffey street, have returned to their home.

John Habecker, Red Hill Estates, is a minor surgery patient.

Mrs. Joe Navarette, 1191 Myrtle drive, is under observation.

Howard Eader, 921 East J street, Ontario, is a medical patient.

Mrs. Lawrence Kick and baby girl, 665 Amethyst, Alta Loma, have returned to their home.

Mrs. David Ramirez, 414 Parkside, has returned home after major surgery.

Mrs. D. W. Murphy, 218 South San Antonio, Ontario, is a medical patient.

Joseph Hayes, 1017 South Grove avenue, is a medical patient.

Mrs. Everett Crandall, 328 Granada court, Ontario, is a major surgery patient.

At Memorial Community Hospital

Carolyn Johnson, daughter of Mrs. Hazel Johnson, 456 West Francis street, Ontario, returned home after having a major surgery.

Mrs. Daniel Cantreraz and baby son returned to their home at 118 Sonora Camp.

Mrs. Ronald Dalton, Ontario, is a minor surgery patient.

About People

Glen Amick of Southgate visited yesterday with his mother, Mrs. Clyde C. Amick, 328 North Sixth avenue. Mrs. Amick returned last week from Rich Hill, Missouri, where she spent six weeks at the home of her daughter, who was ill. The latter was much improved when Mrs. Amick left.

Mrs. Ora L. Sampson, 1161 North Campus, entertained her son, Loren Sampson and his family of Pasadena over the weekend. She became acquainted with a new grandson who was born last June.

Mr. and Mrs. Roy Sachs, 217 South Second avenue, will go to San Diego this Saturday to see Bob, who is attending the College of the Pacific, play football with San Diego. Bob hopes to return home with them to spend Sunday.

Guests at the home of Mr. and Mrs. Roy Sachs, 217 South Second avenue, are Mrs. Sach's sister, Mrs. Ella MacLean and her grandson, Rodney Ayers of Lone Pine. They plan to be here for a week.

GAS WATER HEATING
-always ready
-offers you
Plenty
FOR TODAY'S NEW DEMANDS

gas heats water nearly 3 times faster...at less than ½ the cost!

How's the hot water situation in *your* household?
Is there plenty for all the growing demands of modern living?
You'll appreciate the speed of a modern automatic *gas* water heater. For gas converts "cold" water into *hot*—nearly 3 times faster! Keeps right on giving plentiful hot water for every use! Check the chart for the size your family needs. Yes, and because of low-cost natural gas, you'll find it's the economical water-heating method—saves you a good 50c on the dollar!

49 to 1 Think of it—where Gas is available, 98% of Southern California's new homes use GAS water heaters. That's 49 to 1! Why? Because gas is faster, gas costs less.

Check for size Be sure the storage tank fits your family's needs

See No Hope For Early End to Coast Dock Strike

Conciliators Say They Despair of Settling Walkout

SAN FRANCISCO, (AP) — Federal conciliators today despaired of finding a solution at present to the west coast maritime strike.

Meanwhile, the five striking unions in Seattle offered to sail all ships of the Alaska fleet, which are included in the 148 vessels idled in coast ports since Sept. 2.

Cyrus S. Ching, national director of the conciliation service, told newsmen here that the federal agency has no plans for bringing the disputants together.

"At the present time I don't see any possible method of bringing the opposing sides together," Ching said. "There is no magic formula for handling things by mediation."

He added his agency, however, would do all it could to help solve the dispute if either side called upon it.

The strike began when negotiations failed in contract disputes over the hiring hall and wages. CIO longshoremen demanded continued control of the hiring hall and a 15-cent boost to a base wage of $1.82 an hour.

After the strike began employers announced they would refuse to deal further with unions whose leaders have not signed non-Communist affidavits. Four seafaring unions walked out with the longshoremen.

The longshoremen's willingness to operate ships to Alaska was announced by William Gettings, regional union representative. He said the ships would be worked under the same agreement that covers the freighter Square Sinnet, which sailed for Nome last week. That agreement provided pre-strike wages and retroactivity for any future wage increases.

Officials of the three major companies shipping to Alaska declined immediate comment.

Hurricane Roars On Florida City

(Continued from Page 1)

exactly the same course as the storm of mid-September.

Hurricane warnings now extend from Jupiter southward on the east coast, and from Naples southward on the west coast.

HAVANA, (AP)—(By Telephone to Miami)—Preliminary reports indicated several hundred persons were injured by a hurricane which lashed Havana today.

Communications were out between Havana and Piner Del Rio in the Western Cuba cigar tobacco area, which apparently was in the path of the storm.

It appears several hundred persons were injured in Havana alone. Property damage in Havana was heavy, and glass littered Avenida de Italia, better known as Galeano, in the heart of the business district. Business houses on San Rafael and other streets in the downtown business area suffered pretty heavy damage, such as broken windows.

Voter Lists Biggest Ever

Record-breaking marks were established in the registration of voters for the November 2 election in Upland with a total of 3,996, in Ontario with a total of 10,666, and in San Bernardino county with a total of 122,345 voters, announced Walter V. Combs, chief deputy clerk in charge of the election department of San Bernardino county.

Registration figures show that Upland is a strong Republican community with 2,057 voters indicating GOP preference. This is contrary to the figures for the county, which show the Democrats to be favored.

The Democrats attracted 1,735 voters in their favor, Prohibitionists were supported by 41, Socialists accounted for 2, the Independent Progressives have only five supporters, and 155 voters refused to state their political preference.

An increase of 351 voters was found in the registration for Nov. 2 election over that of the June primary total of 3,645.

There are 10,666 voters in Ontario eligible to enter the voting booths at this coming November election. This total is an increase of 654 over 10,012 that registered in 1946. In comparison to the June primary total of 9,553, a gain of 1,117 more voters are eligible, and in the 1944 presidential election only 8,293 voted pro-

BETTER MOUSETRAP

★ ★ ★ ★ ★ ★

TANDEM TRIKE, BREATH NEUTRALIZER OTHER INVENTIONS OF CROSBY CORP.

HOLLYWOOD AP—The work of the Crosby Research Foundation—backed by Bing Crosby and headed by his brother Larry—finally is moving out of the laboratory and onto the nation's counters.

Five Crosby-sponsored inventions will be on department and drug store shelves for the Christmas trade. They are:

1. A better mousetrap.
2. A new line of tricycles, made in sidecar, tandem or chariot models.
3. A junior juke box.
4. A breath neutralizer that deodorizes the breath before it is excelled from the lungs.
5. A motorized belt-driven filing cabinet that allows access to any one of 40,000 files in 10 seconds.

Larry Crosby, in an exclusive interview, disclosed for the first time what has been going on behind the doors of the Crosby Foundation since the end of the aluminum and guaranteed to hold war.

The new mousetrap, made of a mouse but not injure even a child's unwary fingers, will retail for 39 cents. A quarter of a million have been sold to a Chicago drug firm.

A mail-order house has ordered $100,000 worth of the new tricycles for two. They will retail for about $22.50.

The junior juke box is a table model miniature that plays 10 and 12-inch records and will retail for $29.95.

Another musical toy due to hit the market by Christmas is Crosby's 49-cent "toot mon," a bagpipe for children. It's a flute-like device operated by a toy balloon.

The breath neutralizer goes on the market this week in 144 stores east of Texas and will be in stores west of Texas by November.

The Crosby "breath-o-lator" is an inhaler. You breathe the vapor from a lipstick-size gadget into the mouth and lungs, thus combatting, says Crosby, bad breath at the source. It costs $1.

First installations of the motorized filing cabinet will be in the aircraft and other companies owned by Howard Hughes. The FBI and credit associations also are interested, says Crosby.

Crosby has two other inventions for which he is seeking manufacturers. One is a cigaret lighter which need not be refilled for a month. The other is a thermo-electric generator which has no moving parts, yet can provide enough electricity to operate a farm, a home or even an automobile.

Warren in West Virginia

ENROUTE WITH WARREN TO CHARLESTON, W. Va. (AP)—GOP Vice-Presidential Candidate Earl Warren moved into West Virginia's hot senatorial race today to carry the prestige of the Republican national ticket to the support of Sen. Chapman Revercomb.

The California governor was accompanied from Pittsburgh on the day's West Virginia campaign swing by Revercomb, national committeeman Walter S. Hallanan, and West Virginia's top Republican leaders.

With Republicans stepping up their state and district campaigns in an effort to insure control of the next congress, particular interest is attached to the West Virginia senatorial race in which Revercomb is engaged by Former Sen. Matthew M. Neely, the Democratic nominee.

Revercomb has been at odds with Gov. Thomas E. Dewey, the Republican standard bearer. Dewey recently asked the West Virginian to modify his position on the displaced persons bill then before congress, and Revercomb refused. Dewey's resultant coolness has had its political repercussions in West Virginia.

ONTARIO URGES RAIL UNDERPASS

(Continued from Page 1)

tained their cigarettes from their mother's purses".

The council decided to defer action until the first meeting in November, at which time all members would be present to consider action to be taken on this ordinance.

N. E. Trautman, realtor, whose office is located at 516 North Euclid avenue, applied by letter to the city council for permission to remove old curbing and replace it with new curbing at his own expense.. The council agreed to let Mr. Trautman go ahead with the improvement with the stimplation that he post a bond guaranteeing completion of the proposed improvements adjoining his property.

Members of the city council commended A. H. Martin, owner of the Brown Ambulance Service, located at 127 North Lemon avenue, for his fine service to the city in the past months. Mr. Martin was thus granted a renewal to operate his service in Ontario.

In consideration of a portion of the agricultural zoning ordinance the council agreed by resolution to reduce the area to be considered from 20,000 square feet to 18,000 square feet.

M. B. Nicholson appeared before the city council to ask for a renewal of his lease, which expires in March. The property in question is located at 660 E. Main street, Ontario, where Mr. Nicholson operates his Citrus Transportation company.

The council stated that it did not think that a renewal would be possible inasmuch as the city was considering the construction of a municipal building on that site. However, the council believed that they would be able to give Mr. Nicholson a definite answer concerning the lease in about six weeks.

Nicholson defended his position by stating that he was doing a $100,000 business in Ontario with a proportionately large payroll and that a refusal to renew the release would force him out of Ontario.

The Church of Our Lady Guadalupe applied and was given permission to rent a ballpark for the purpose of holding a festival to raise funds for the purchase of benches to place in their new church.

Crime Report

SAN FRANCISCO AP—Acting Gov. Goodwin Knight reserved for further study today a crime commission report on an alleged slot machine payoff ring in California.

"This is definitely too hot for me to make any snap judgment about releasing it," he told reporters.

The crime commission last week said the report dealt with alleged attempts to organize the slot machine racket under the alleged protection of the attorney general's office.

FLOATING HOTEL—This sailing vessel is one of many craft which have been converted into restaurants and hotels on Elbe River at Hamburg, Germany, badly bombed during war.

Bad Checks On Increase

A marked increase in the passing of fraudulent payroll checks has caused Sheriff James Stocker to issue a warning to all San Bernardino county merchants and business men to be on the lookout for them.

Those passing checks have all been well supplied with a number of different types of forged identifications. Payroll drafts, in most cases, will not be made upon a local company.

Four steps have been suggested as a means of reducing the possibility of being caught with a bad check.

1. Ask the subject questions to determine how much he knows about the company that he is allegedly working for.
2. Positive identification should be demanded, always asking for a California driver's license.
3. Make personal call to business firm upon which the check is drawn. The telephone book is a good secondary reference if it is after business hours.
4. In the event that the identification is not sufficient, call the forgery detail at the San Bernardino county sheriff's office. . The telephone number is San Bernardino 6811, extension 360, during the day, and 6826 at night.

END?

LOS ANGELES AP—A possible end to the polio epidemic was seen in yesterday's records by Dr. George N. Uhl, city health officer.

DEATHS

MARY A. LEARY

Funeral services for Mary A. Leary, Culver City, will be held at St. George's Catholic church tomorrow at 9 a. m. Interment will follow at Bellevue cemetery.

Rosary will be recited at 7:30 p. m. this evening at Richardson's Mortuary.

She passed away October 3 after a short illness at the age of 83.

BABY GIRL LOFTON

Graveside services will be held tomorrow afternoon at 2 p. m. at Bellevue cemetery for Baby Girl Lofton who passed away at the age of one day at the San Antonio Community hospital.

She is survived by her parents, Mr. and Mrs. Raymond L. Lofton, 2501 South Euclid avenue, Ontario, and one sister, Caroline.

Rev. Beulah Wilson, pastor of the Pentecostal Church of God will officiate. Stone Mortuary is in charge of arrangements.

Approximately 6,500 Indians still live in New York state, on eight reservations where tribal customs are largely observed.

School Workshop Plans Are Told

The newly-organized Ontario parent workship, which consists of parents, school trustees and school administrators, unanimously agreed yesterday to study and interpret more fully the problems of elementary education in order to bring the greatest benefit to the school and community.

Topics scheduled for comprehensive investigation include health of the child, the school curriculum and the relationship existing between the teachers with the child, school and community.

Final administrative functions, explained Bruce Miller, superintendent of schools, cannot be handled by this group and still obtain the best results. . Details of the major policy, he said, should be carried on by the administrative channels within the schools.

First meeting of this newly organized workshop will be held Oc-

'CARRIER HOP' PLANES START

MOFFETT FIELD AP—Twelve short-range navy planes took off at 6:36 a.m. today on the first long-range overwater flight using aircraft carriers as refueling bases.

At 7:30 a.m. the group commander reported by radio that the flight was on course at 10,000 feet altitude and was 210 miles offshore.

The aircraft will land on the carrier Tarawa 800 miles out on the first five-hour hop of the flight from this naval air base near San Francisco.

Eight hundred miles farther out they will land on the carrier Princeton. The final jump on the 2,400 statute mile trip will take them to Barbers Point Naval Air Station, Hawaii.

Commander W. F. Bringle is flight leader of the four Grumman F8F Bearcats, four F4U-4 Corsair fighters and four Douglas AD-1 Skyraiders.

All of the planes were airborne within one minute.

The Navy termed the flight a demonstration of "fast and practical" ferrying of short-range aircraft "over vast ocean reaches, using shortest point - to - point route."

In the years between 1840 and 1850, more than 200,000 immigrants annually entered New York harbor.

"Give 'Em Hell" Attitude of President Helps G.O.P.

We've known of politicians in running for sheriff who became quite a character for their "give 'em hell" attitude and activities.

Such campaigns occur occasionally for minor local offices but never before has the nation seen its president go after votes in a "Give 'Em Hell" program. If we were ever on President Truman's side we would change over after seeing the types of campaigns conducted by the presidential candidates.

In some respects even Wallace's campaign is more dignified than is President Truman's.

Four weeks from today the millions of Americans will go to the polls and choose between continuing the present administration or making a change. Every indication points to a change in the White House.

Governor Dewey's calm and deliberate appraisal of the problems and Governor Warren's appealing presentation of constructive issues are in such a contrast to the Democratic campaign that many voters are likely to be won during the next 28 days.

If the President were conducting a popular campaign the outcome might be close but under the circumstances it is safe to predict a tremendous swing to the G.O.P. leaders.

Voters in this district should make the change complete by sending Lowell Lathrop to Congress. The advantages of seniority that have previously been advanced for Harry Sheppard are meaningless in a Republican victory.

An active minority always provides a favorable balance in legislative matters but it would be good for the district and for the nation to have Mr. Lathrop in Washington.

A change is very certain in Washington. We should go all the way.

DOROTHY THOMPSON — Department of Justice vs. J. Parnell Thomas

In the exchange of notes between the department of justice and Rep. J. Parnell Thomas of the House committee of un-American activities, the department has, I think, much the better of the argument. I was glad to see that Former Secretary of War Robert Patterson, now president of the association of the bar of the City of New York, also declared that no responsible member of the bar would approve current procedures of Representative Thomas's committee and that he was backed up by his bar associates who are, on the whole, conservative men.

We might ask ourselves, I think, what it is that disgusts us most in the Communist system. Is it that it substitutes a system of state capitalism for the mixed system of public-private-corporate capitalism that exists in the western world? No, it is not. One may believe, as this column does, that no form of total socialism ever will work out for the greater prosperity of the people or justify the claim to create a classless society. It certainly has not done so in the U.S.S.R. nor has it overcome the "dilemmas" of capitalism that also appear under state capitalism.

But it is not such criticisms which constitute the primary charge against the communist system. The primary charge is that it substitutes terror for law, and persecution for prosecution. It arrests without indictment, punishes without other evidence than extorted "confessions", interprets such legal codes as exist according to the state's political objectives, and thus creates a condition under which no man's liberty is safe. Totalitarianism reaches its apogee in "the people's tribunal," a form of inquisition identical—even as to name—in the Nazi and Communist regimes.

Now, the committee on un-American activities is coming dangerously close to developing into just such a tribunal, in its zeal to ferret out those who, if they had their way, would make such tribunals the substitute for legal justice. Fighting fire with fire is a dubious political procedure at any time. As Emerson said, we are very likely to become what we hate.

BOB RUARK — Times-Herald Case Sort Its Publisher Would Have Loved

WASHINGTON, D.C. — I was reading a detective story on the way down here, and chucked it away as pretty dull. At least it is mightily pale alongside the real-life whodunit which is unfolding on the Potomac. I doubt if even L. Phillips Oppenheim would have used as many corny devices as now are appearing in "The Case of the Dowager's Legacy", or "The Seven Nervous Heirs".

When Mrs. Eleanor Patterson died, she left a rowdy career behind her. But it threatens to be shaded by the conflict to come. Mrs. Patterson bequeathed her thriving newspaper, the Washington Times-Herald, to seven employes. Although Cissy was always an amateur publisher, she ran a starving sheet into about an eight million buck property, make the seven bequests assay over a million apiece.

Now this, goodness knows, is plot a-plenty for Dorothy Disney or one of the other confectors of mystery books, for the future is pregnant with enough possibilities to cram a five-foot shelf. But nothing dull ever happaned to Cissy, even after she was dead. Some two months after her death, two former employes were dead, too. One, Charles Porter, a former treasurer, had been cut out of the will by reason of leaving the paper a year before his boss died.

Police considered the possibilities that Mr. Porter either jumped, fell or was shoved through a window screen of a West Virginia hotel and concluded that he jumped. The other victim, an old-time employe named Betty Hynes, was found dead with a bottle of sleeping pills nearby, and was suspected of suicide until an inquest reported death from natural causes.

Then, with all of these gone, up pops a letter from Mr. Porter which said that E. P. (presumably Cissy), "was out to destroy me, and . . . I would be called back (by Mrs. Patterson) for more slaughter."

We now see the arrival of the beautiful countess. The beautiful countess, in this case, is none other than Cissy's daughter, Countess Felicia Gizycka, who is contesting her mother's will. The Countess got sawed off with a comparative shilling—a mere $25,000 a year for life. The Countess, through her lawyers, demands a fresh investigation of Mr. Porter's suicide.

Enter an ex-husband, in this case, columnist Drew Pearson, formerly married to the Countess, and in recent years a bitter enemy of his ex-mother-in-law. Mr. Pearson allowed as how Mr. Porter didn't jump, didn't slip, but might very well have been pushed. Mr. Pearson implied that people bent on jumping to death rarely butt their way through screens. It turned out that in this hotel the screens weren't removable. The Countess adds that her mother was under pressure when she made her will, and that Mr. Porter had "vital" papers in support of her theory.

We have, too, Mrs. Patterson's housekeeper named as the executrix of Mr. Porter's estate. No suave butler has yet appeared, but can be expected to enter, stage left, at any moment.

We also include the flock of people who did not participate in the will—likely suspects, all, in anything that bobs up. We have the people who might have shared the riches if they had stuck around the paper, but who were eliminated when they left it. We even have a 21-year-old divinity student in the scenario—it was to him Mr. Porter wrote letters divulging his fear of "E. P."

That is the situation at the moment. Will a rum-fuddled printer run amok and serag one of the lucky heirs? Will the Countess bust the will? Will Cissy pierce the veil and write one of her moking front-page editorials on the frailties of her friends? Nobody knows, but one thing is certain. Cissy was a gal who always craved plenty of action, and she's getting it, even if she isn't around to enjoy it.

Noted Orchestra Leader Passes

Jan Savitt, noted orchestra leader, died in the Sacramento county hospital early today.

Savitt was stricken with a cerebral hemorrhage while enroute to Sacramento Saturday for an engagement at Memorial auditorium here. His orchestra fulfilled its engagement Saturday night without the leader.

Mrs. Savitt flew to Sacramento Sunday and was at her husband's bedside when death occurred at 5:50 a.m. today.

SERIES FACTS AND FIGURES

American league champions—Cleveland Indians.

National league champions—Boston Braves.

Best four out of seven games.

First and second games — Wednesday and Thursday at Braves field, Boston.

Third, fourth and fifth games (if needed) — Friday, Saturday and Sunday at Municipal stadium, Cleveland.

Sixth and seventh games (if needed) — Monday, and Tuesday, Oct. 11 and 12, at Braves field.

Starting time tomorrow's game—11 a.m. (PDT).

Probable crowd — 40,000.

Probable pitchers — Bob Feller (19-15) for Cleveland vs. Johnny Sain (25-15) for Boston.

Broadcast — Mutual broadcasting system, starting at 10:45 a.m. (PDT).

ABOUT PEOPLE

Guests Sunday at the home of Mr. and Mrs. Will Anderson, 2449 San Antonio Crescent East, San Antonio Heights, were their son-in-law and daughter, Mr. and Mrs. V. L. Malisch, and their daughter, Bonnie Jean, of Compton.

Mrs. Harry Plum, 484 North second avenue, will leave Friday evening by American Airlines for Atlanta, Georgia, and Nashville, Tennessee, to visit relatives. She will be gome for several weeks.

7 BABIES IN 4 YEARS—Mrs. Laurie Harper of Lavington, Australia, sits with her 7 children, all born within the last 4 years. Garry, 4, (standing behind her) is the eldest. The others, three sets of twins, were born in a period of 2½ years.

Today's Birthday

(If you have a birthday this week or this month, call it in to 311-06 and we'll include you in this column.)

Walter Bedell Smith, born Oct. 5, 1895, in Indianapolis. He became U. S. ambassador to Russia after a colorful Army career. Staff chief to Eisenhower with the rank of lieutenant - general. Smith had never attended a military academy. He rose from a reserve commission in World War I. His invasion planning won wide praise. Churchill calls him "Bulldog." He was knighted by King George VI.

Local Birthdays: Harold B. Anderson, Dannie Wall, C. E. Yawman, George Cunning.

Southland Now Enemy Territory

SAN DIEGO (AP) — The navy set out today to land liberating marines on a supposedly occupied Southern California. About 500 army officers watched the game of war.

First pob of the naval expeditionary force was to fight off enemy planes and submarines. This will include the actual sinking tomorrow of the submarine Skate and transport Crittenden—former Bikini atom bomb targets.

The force will then land marines at San Clemente Island Wednesday and on the mainland, 40 miles north of here, Thursday.

Did Russian Politburo Force Stalin To Change His Mind?

(Editor's Note: This is the last of several stories explaining the Berlin crisis and what led up to it.)

By JAMES MARLOW

WASHINGTON (AP)—Did the Politiburo tell Stalin to go back on his word?

That seems a fair question in view of the Russian double-talk on the Berlin crisis.

The Politburo is a committee of top communists in Russia. It checks on every problem before the government acts. It can issue orders independently.

Now look at what happened:

Early this year the United States, Britain and France began setting up a new German government in their zones of Germany. The Russian zone is not included.

Such a government, sponsored by the west, would be friendly to the west and a block to Russian efforts to control all Germany.

But the west said the "door is open" to Russia. The new government hasn't been set up yet. The western powers and the Germans in their zones are working on it.

Last June Russia and the three western powers started two separate money systems in Berlin. The Russians did it first.

When the others did it, Russia stopped letting them send supplies overland into Berlin for their troops and for Germans in their sectors.

Russia could do this because, since Berlin is in the Russian zone, supplies for Berlin must pass through that zone.

Since June the western powers have had to send in supplies by plane.

To try to get the blockade lifted, the western governments told their ambassadors in Moscow to see Stalin and Foreign Minister Molotov. The ambassadors had two talks with Stalin, 11 with Molotov.

They reported this:

They asked: Would Russia lift the land blockade if the western powers withdrew their money from Berlin and let the Russian money be the only kind used, provided all four powers had control over how it was used?

Molotov was balky but Stalin said "Yes."

After the Moscow talks on that high level, representatives of the four powers sat down in Berlin to work out details of the agreement.

But—the Russians now not only said there could be no four-power control of Berlin money but even talked of extending their land blockade to a blockade of some of the supplies reaching Berlin by air.

The western powers looked upon this as breaking Stalin's promise made in Moscow. They dumped the whole Berlin crisis on the United Nations.

Finally, just as the U. N. debate on Berlin was about to begin, this happened:

Russian officials—but not Stalin—indicated that if the west wants the Berlin blockade lifted, it must abandon its idea of a western German government.

But if that's the price of lifting the blockade, why didn't Stalin say so in the first place?

The ambassadors who talked with him said he mentioned the new German government and said he wished the west would drop the idea.

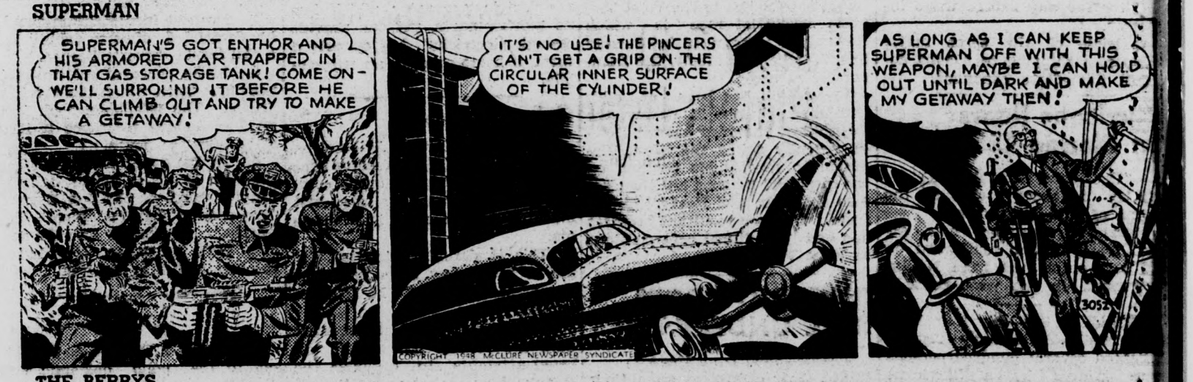

But they say he did not demand that it be dropped as the price of lifting the Berlin blockade.

But why didn't he, since that's what the Russian government now says it really wants?

Because of the Politburo may have looked over the promise he made—after he made it but before the Russian government could act on it—and said: You didn't make a tough enough bargain.

So Stalin changed his mind—or the Politburo changed it for him.

NOTICE OF SALE

Temporary Loan Notes, Housing Authority of the City of Upland, California

Sealed proposals will be received by the Housing Authority of the City of Upland, California, (hereinafter called the "Local Authority") at 1200 North Campus Avenue in the City of Upland, California, until 11 o'clock a.m. (D.S.T.) on October 13, 1948, for the purchase of its Temporary Loan Notes (Seventh Series) in the aggregate principal amount of Three Hundred Twenty-Four Thousand Dollars ($324,000), at which time such proposals will be opened and canvassed.

The Notes will be dated November 4, 1948, and will be payable to bearer on May 6, 1949. The proceeds of said notes will be used to pay expenses incurred or to be incurred in the development of a housing project or to refund, renew or extend outstanding notes issued in connection therewith, and for which the Public Housing Administration has agreed to make a loan to assist in the development thereof.

For the prompt payment of the principal of and interest on said notes the full faith and credit of the Local Authority will be pledged and said notes will be further secured by a requisition agreement between the Local Authority and the Public Housing Administration under the terms of which agreement the Public Housing Administration agrees to purchase an advance loan note of the Local Authority prior to the maturity of such temporary loan notes and in an amount sufficient to pay the principal and interest of all said temporary loan notes and agrees to cause so much of the proceeds of such advance loan note as shall be sufficient to pay the principal of and interest upon any of said temporary loan notes to be deposited at the respective bank at which said temporary loan notes are payable for the benefit of the holders or holders thereof.

Said notes will bear interest at the rate or rates per annum fixed in the proposal or proposals accepted for the purchase of such notes, will be issued in such denominations, and both principal and interest thereof will be payable at such incorporated Bank having trust powers or incorporated Trust Company as the purchaser designates in his proposal; such Bank or Trust Company must be a member of the Federal Reserve System and must have an unimpaired capital and surplus of not less than the aggregate principal amount of notes designated in the proposal or proposals submitted by the purchaser, provided, however, that such unimpaired capital and surplus need not exceed One Million Dollars. The notes will provide that they are not valid until after such Bank or Trust Company has signed the agreement, appearing on each note, to act as paying agent. The notes will be transmitted to such Bank or Trust Company for delivery to the purchaser upon receipt and disbursement by such Bank or Trust Company of the purchase price thereof in accordance with instructions from the Local Authority. After taking delivery of the notes the purchaser shall obtain the signature of such Bank or Trust Company upon the notes as aforesaid. All fees or charges, if any, of such Bank or Trust Company shall be paid by said purchaser.

Complete certified transcripts evidencing the lawful organization of the Local Authority and the validity of the notes and the requisition agreement will be furnished the attorneys designated by the purchaser to approve the validity of said notes and said requisition agreement, at least five (5) days prior to the date of said notes. The fees or charges of such attorneys shall be paid by said purchaser.

All proposals for the purchase of said notes shall be submitted in a form approved by the Local Authority. Copies of such form of proposals may be obtained from the Local Authority at the address indicated above or from the General Counsel, Public Housing Administration, Washington 25, D. C., or from Regional Counsel, Public Housing Administration, in the cities of New York City, New York; Chicago, Illinois; Atlanta, Georgia; Forth Worth, Texas, and San Francisco, California.

Proposals may be for all or any part of said notes and separate proposals will be required for each part of said notes for which a separate interest rate is bid. Said notes will be awarded at the lowest net interest cost to the Local Authority under such bid or bids, and in computing such interest cost the Local Authority will take into consideration any premium which any bidder offers to pay. No bid for less than $50,000 principal amount of said notes or for less than par and accrued interest (which interest shall be computed on a 360-day basis) will be entertained and the Local Authority reserves the right to award to any bidder all or any part of the notes which such bidder offers to purchase in his proposal, upon the basis of such proposal. If only a part of the notes bid for in a proposal are awarded by the Local Authority, the premium, if any, offered in such proposal shall be pro-rated, and said notes will be issued in denominations in the order of the lowest denominations specified in such proposal: provided, that one note may be issued in a smaller denomination than is otherwise specified. The further right is reserved to reject any or all bids.

In the event that prior to the delivery of any of the notes to the successful bidder therefor the income received by private holders from obligations of the same type and character shall be taxable by the terms of any Federal income tax law hereafter enacted, the successful bidder may, at his election, be relieved of his obligations under the contract to purchase said notes.

Sain, Feller Nominated

Sport-O-Graphs

By DON BENSON

The Sunday morning quarterbacks must be muttering to themselves, after last week's game against the Santa Monica Corsairs. The signal calling was on the dubious side at times. The boys better not try for a first down against a good team under the same conditions as they did against Santa Monica. It didn't work against the Corsairs and it didn't look very smart, and it won't be so good against the better teams of the O.E.C. This signal calling is always a critical thing to be yapping about, but right there is the crux of lots of won-and-lost games. It's always easy to criticize AFTER the game, but boys, please don't throw any more passes in the last seconds of the game.

The striped-shirt boys gave the Panthers a liberal workout, reeling off penalties with all the dash of a worn-out washer woman. These jokers called off penalties that even had the Santa Monica team laughing. The officials and officiating was a complete reversal from the East L. A. game.

In the three games that are coming up in the next weeks, San Diego, the first league game against Santa Ana, and then Ray Rosso's Orange Coast team, the Panthers will either be a smooth outfit; ready to take on mighty Fullerton, and a chance to win their third conference title, or they will be just another team. How they come out on these highly important three games depends on how well they block, b-l-o-c-k, and BLOCK, plus tackle, t-a-c-k-l-e and TACKLE . . . That will be the turning point, plus their choice of plays . . .

The defensive line play is good, although both Santa Monica and L. A. made some nice gains through the middle sector occasionally. The ends, led by Acosta, Francisco and Cleminson, show up well. Bell, Imbach and Co. at tackles are tops. Bartolussi and Tomaseck are as good a pair of guards as you can find. Link Perry holds down center effectively. You know all about the backfield stars, such as DeCicco, Snyder, Hoyos, Scholes, Lane, Witham, etc. These guys can carry or throw the ball IF they get some blocking protection. Whether this array of players who we have mentioned is good enough to take care of the rest of the teams, is something that only time and games alone will tell.

The large crowd of local fans who journeyed to the beach city, had a sudden change of mind after this game . . Last game (L.A.) you could hear the fans saying and predicting the Panthers would be National Champs this year, same as last year. After the game last Saturday night, you heard these same fons changing their opinions, and wondering how the Panthers would fare . . .

Odds and Ends—

Gads!! What a beating the coast is taking from those nasty 'ole Big Nine teams!! Dang those lackadaisical Troajns!!! (Sure, I lost 10 cents). That isn't what hurts;—It's the way they go about losing their games. They must spend lots of time studying how to run into each other, drop T.D. passes, call dizzy plays, and act like a group of dopes in general . . . Cravath should have a double set of ulcers . . . The Chaffey Tigers appear to be a trifle slow afoot in their playing . . . Too much suet and not enough speed, plus bad-ball handling and hit-or-miss blocking and bad tackling hurt, too . . . Don't worry, tho, Lindsey will still mold them into a good team before the season is over . . Coach Hobbs lived up to his statement before the season opened that the practice games would be devoted to finding out "who-was-who."

Oakland, Seattle In Final Playoff

By The Associated Press

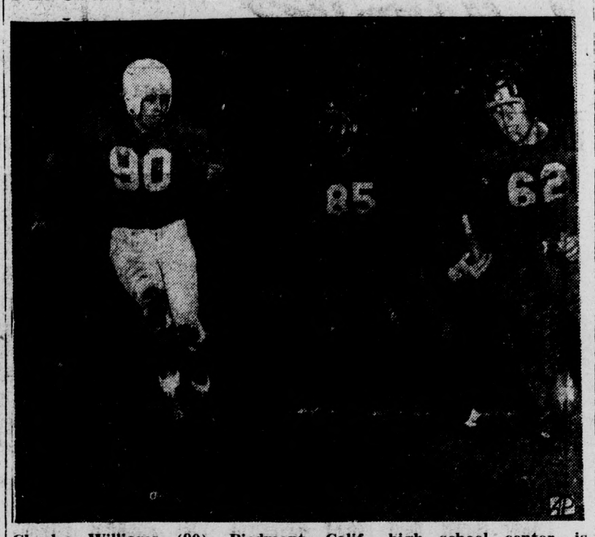

It will be Oakland versus Seattle in the Coast league's final Governors' cup playoff.

The pennant-winning Oaks won their "semi" series with Los Angeles, four games to two, with an 11-9 victory in 10 innings last night.

The final playoff set will start tomorrow night at Oakland with a $25,000 pot hanging in the balance.

BEFORE FATAL PLAY

Charles Williams (90), Piedmont, Calif., high school center, is about to be blocked out of a tackle attempt by Al Bowers (85) of Berkeley high in night game at Berkeley, Calif., a few minutes before Williams received a fatal head injury. Williams was hurt when he tackled Al Peterson (62), Berkeley player carrying ball in this picture.—AP Wirephoto.

TIGERS SLATE THURSDAY SCRIMMAGE WITH KEPPEL

With no game scheduled this weekend, the Chaffey Tigers have arranged a practice tilt with Mark Keppel High school, Alhambra, to be played on Graber field Thursday afternoon at 2:30.

Coach Truck Lindsey said this morning the contest will be in the nature of a glorified scrimmage, with coaches on the field to point out the mistakes of their players.

Meanwhile, Coach George Hobbs of the Panthers, is getting ready for what should be a whale of a game Saturday. Opponents will be the unbeaten and virtually unscored on San Diego JC eleven.

Pasadena sportswriters who saw this outfit make a shambles of the Pasadena City college Bullpups have been booming the Border City boys for Little Rose Bowl honors this year.

All of which makes it appear that the locals have their work cut out for them.

Hobbs' squad appears to be in shape for a hard week of drilling. Only casualty Saturday night was Orland DiCiccio who suffered a recurrence of his old knee injury.

The Chaffey Quarterbacks, meeting in their regular Tuesday session this morning, had President Norman Springer on the sidelines with illness. Art Peterson filled in for him in the president's chair.

Jayhi Grid Players Listed

Coach Ed Phippin lists the following members of the Upland Junior High school heavy and lightweight seventh and eighth grade teams.

Members of the Heavies squad are Jim Bray and Craig Bradburn, centers; Cal Dickerman, Chuck McCrary, Harold Kough and Walter Mathews, guards; Albert Ramirez, Jerry Pollock and Tom Beard, tackles; Bob Wyperd, Don Pow and Ronald Hemsley, ends; Sammy Crowe, Stanley Evers and Joe Agapay, halfbacks; Ken Mueller and Terry Mitchell, fullbacks; Loren Sanchez and Ernie Bowser, quarterbacks.

Lightweight players comprising the Upland Junior varsity include Ronald Minor, center; Richard Krebill, Ralph Sheppard and Lyle Moss, guards; Bob Hilke, Paul Hood and Chuck Hemsley, tackles; Marvin Pounders, Joe Bruce and Jack Benson, ends; Charles McKeller and John McKeller, halfbacks; Bob Johnson, fullback, and Bruce Headley, quarterback.

Harris Out as Yanks Manager

NEW YORK AP — The job of leading the fabulous New York Yankees is open again today for the fourth time since 1946.

Stanley (Bucky) Harris, who piloted the Yanks to third place this season after bossing them to the American league pennant and a World Series triumph in 1947, is out in the cold.

The move, which came as no surprise, was made yesterday after a conference among Yankee President Dan Topping, General manager George Weiss and Harris.

In a terse announcement, the Yanks said the decision not to renew Harris' contract was by "mutual agreement."

The new manager will be selected at a future date, the announcement added, and the several candidates do not include "a player active with the 1948 team."

VICTORY

CHICAGO AP—Frank Minini's 95-yard touchdown run with a third period kickoff broke the Chicago Cardinals back last night and touched off a 28-17 National Football league victory for the Chicago Bears.

Series Opener Set Tomorrow

By JACK HAND

BOSTON AP—Cleveland's newly-crowned American league champs, still walking on thin air after their playoff success, have named Bobby Feller to face Johnny Sain of the Boston Braves in tomorrow's World Series opened at Braves field.

Rapid Robert will have to go hard to top the performance of young Gene Bearden in yesterday's 8-3 victory over the Boston Red Sox in an unprecedented sudden death playoff of a tie.

Today the Indians and Braves settle down to plans for a series that must come as an anti-climax to the Indians. It won't come as any anti-climax to their pocketbooks.

The big Cleveland ball park with its 95,000 capacity is certain to set a new series record.

If it goes seven games despite the size of the Braves' field which holds only 50,000 bulging at the seams, a new record cut for the winning players may result. It's certain to be many thousands of dollars more than all-Boston series would have provided.

Manager Billy Southworth of the Braves is expected to make his decision of his second base starter after a morning drill. Eddie Stanky, still slightly handicapped by the broken ankle he suffered in July, and Sibby Sisti, who filled in capably, are the candidates.

Working with only one full day of rest after shutting out Detroit Saturday, Bearden silenced the guns of the fence-denting Red Sox in their own ball yard to gain Cleveland's first American league flag since 1920.

He did it with a little of this and a little of that — but mostly his knuckle ball. He threw the dipsy-doodler four out of every five pitches. The knuckler got him home. Parlayed with the raw courage that brought him back to baseball from Pacific war action with aluminum plates in his head and left knee.

"The knuckler did it," said Manager Lou Boudreau, "they just couldn't hit it. I know one of their coaches was tipping the hitters every time he threw it — which was four out of every five — and they still couldn't connect."

Boudreau, the hitting star of his own team's sensational triumph with two homers and two singles, preferred to pass on the glory to the younger members of his team.

"Jim Hegan and Larry Doby made our ball club," he said, "they were the most improved ball players in the league along with Boston's young Billy Goodman."

SWAP

PHILADELPHIA AP — Philadelphia Phillies swapped the hat—otherwise known as Harry Walker—for the big swish — better known as Bill Nicholson — in a straight player trade with the Chicago Cubs.

LOS ANGELES AP—The 23rd annual Los Angeles Open Golf tournament will be held at Riviera Country club Jan. 7-10.

CLEVELAND A SHAMBLES AS TRIBE WINS

CLEVELAND AP — This lakefront city, after biting its fingernails down to the second knuckle the last few weeks as the Indians dilly-dallied in their attempt to win the American league pennant, was a debris-littered mess today.

A celebration, set off by the 8-3 victory over the Boston Red Sox yesterday in the American league's first suudden death playoff, lasted into the wee small hours.

To a casual visitor, not knowing the pent-up emotions of the oft-frustrated Cleveland fans who have been denied a pennant since 1920, the celebration — a swashbuckling, noisy affair — must have resembled the Armistice Day blowout.

The hotels were the first to take action as the final score winged in. They immediately cleared their lobbies of furniture. And it was a good thing they did, for a few minutes later a flock of bands, generally headed by some big guy beating a brass drum, roared in.

Snake dances were a dime a dozen, but pennants bearing the legend "Cleveland Indians, 1958 World Series Champs," were a buck per copy.

Irish Selected No. 1 Grid Team

NEW YORK AP—Notre Dame has renewed its lease on the No. 1 spot in college football's Big Ten.

On top of the heap at the end of the last campaign, the Fighting Irish moved right back into their penthouse in the first Associated Press poll of the new season.

One hundred and fifty-three sports writers from throughout the country gave Frank Leahy's proteges a total of 1,200 points enough for a squeaking edge over rampant North Carolina and surprising Northwestern.

ILL

BALTIMORE AP—Lewis (Hack) Wilson, whose National league home run record set in 1930 still stands, is in serious condition today in a Baltimore hospital.

Cub Scout Team Claims Title

Battling the breaks, some poor umpiring, and a hostile crowd, the Upland Cub Scout softball team overcame every obstacle last night in defeating the Pomona Cub team 7-5 in an 11-inning battle at Washington park, Pomona.

The victory gave the local team undisputed leadership among Cub aggregations of the Mt. Baldy area. Johnny McKellar did the pitching last night with Louis Hoyos catching.

Frost chocolate cookies with whipped cream, stack and spread some of the sweetened cream over the outside of the stack. Chill in refrigerator for several hours, then slice and serve. Ginger snaps are also delicious used in this way.

EASY TO PREPARE FOR LAST MINUTE SNACKS

When company drops in unexpectedly, surprise them with a delicious tunafish salad or tunafish sandwich. Both are easy to prepare on short notice. California is the world's largest commercial fishing center and produces over one-third of all canned fish in this country.

VOTER LIST

(Continued on Page 3)

ducing an increase of 2,377 voters eligible for the Nov. 2 election.

Preference for political parties in Ontario was indicated as follows: Democrats, 5,239; Republicans, 4,930; Prohibitionists, 55; Socialists, 3; Progressives, 4; Independent Progressives, 26; Townsendites, 2, and 357 refused to indicate party preference.

That San Bernardino county is a Democratic stronghold was proven by the registration figures released by Walter V. Combs, deputy county clerk, which show 68,266 voters favoring this party. Republican registrants totalled 47,409, while 5,860 did not indicate their party preference.

Other affiliations in the county were listed as follows: Prohibition, 448; Socialist, 41; Progressive, 47; Independent Progressive, 230; Communist, 1; Townsend, 18, and miscellaneous, 1.

Bikini Vessels In War Game

SAN DIEGO AP—The Navy today bombarded two tough vessels the Japanese and the atom bomb at Bikini failed to sink.

The submarine Skate and the transport Crittenden were targets of air and surface forces assembled for the largest amphibious exercises ever held in peace time. Sixty ships, 275 aircraft and 80,000 men are participating.

The Skate, credited with sinking 129,000 tons of Japanese shipping, is to be finished off with air bombs northwest of San Clemente island. The 8,000-ton Crittenden gets progressive air and surface bombardment in the same area.

PROBATION

SANTA MONICA AP — Two spinsters convicted of falsely imprisoning and contributing to the delinquency of three young people have been granted probation.

...will send them to college six years from now

Make sure your son or daughter starts life with the advantage of a good education. Make regular, systematic deposits to a Bank of America Thrift Club account and you'll have a college fund when you need it.
